

**Interior Design**  
Submission Format

**Interior Design Subcategories:**

- 1. Residential**
- 2. Hospitality**
- 3. Institutional**
- 4. Conceptual/ Unrealized**

The Conceptual/Unrealized subcategory includes:

1. A project that has been designed for a real client but has not been completed/realized yet.
2. A project that has been designed as a conceptual/investigative exploration, either theoretically/academically or professionally, without necessarily having the intent of being realized.

***Note: Participant's identity must be obscured on all texts, drawings and images submitted.***

**Only 1 PDF File**

- File name: Please rename the file as per the guidelines below before uploading it.
  - First two letters of your Last Name
  - 4 digits from your date of birth DDMM

**Example:**

- Name: Mark Duke
  - Date of Birth: 03/01/1982 (DD/MM/YYYY)
  - File name will be: DU0301
- Total maximum size 20MB
  - A3 Landscape Format (Horizontal)
  - File must include:

**A. Text Section:** Should include text explaining the project's data in the following order:

1. Project Title

2. Project Site / Location: (Area / District / City / Country)
3. Project Client
4. Project Area (In Square Meters)
5. Project Program
6. Project Statement: a brief statement describing project's concept (Maximum 300 Words)

**B. Images Section:**

Maximum of 20 Images

Entries should include as much detail as possible, including:

1. Mood board
2. Material board
3. Images of each side of the building or environment along with the contextual surroundings (if related/applicable).
4. Include floor and small-scale site plans showing the project in its context (if related/applicable).
5. Entrants should provide a rendering that illustrates the complete project, where the project is a group of buildings.
6. If the entry concerns an alteration or restoration, please include both "before" and "after" images.

Image Specification:

- Screen Resolution at least 100 dpi
- A caption should be included for each image

If your submission is shortlisted may be requested to provide an identical high-resolution PDF File:

- Landscape Format (Horizontal)
- 300 dpi / Print Quality
- Maximum Size 100×70 cm
